SUBJECT: RESOURCE ALLOCATION REVIEW BOARD

A JPL/DSN Resource Allocation Review will cover usage of the DSN antenna subnets for January 2007 through December 2008. This Review will commence on October 18, 2005 and conclude on February 14, 2006. During this process, the Resource Allocation Planning Service (RAPS) members will accept major changes to the users' requirements or tracking requests if submitted in the form of draft changes to the Project Service Level Agreement (PSLA)/Deep Space Mission System Service Agreement (DSA). The appropriate Project Manager should initial these draft changes as this procedure supports our requirement traceability process.

Please review all attached materials (Attachments 1-6). On Attachments 5 and 6 (ULP's and Events), update any items requiring change. Please send changes via email to the following Resource Analysis Team members:

Arthur.E.Andujo@jpl.nasa.gov
Laura.Campanelli@jpl.nasa.gov
Donna.Dillard@jpl.nasa.gov
Sandhya.Guduru@jpl.nasa.gov
Ernestine.Hampton@jpl.nasa.gov
Joaquin.A.Retana@jpl.nasa.gov

Return a signed copy of the User Loading Profiles and Major Events forms (Attachments 5 and 6) to the Resource Analysis Team, **Mail Stop 1400-300**, or **FAX to (626) 305-6389**. We must receive all Review Material *on or before November 04, 2005*.

Any new or updated viewperiods required to support new or revised project/user requirements, should be delivered to RAPS *on or before November 04, 2005*. Files are to be delivered in SPK transfer format with a date range from at least 2006 through 2008, preferably a period of 2006 to the end of mission or extended mission. Please contact Arthur.E.Andujo@jpl.nasa.gov to make arrangements to deliver files to RAPS.

Beginning the week of **January 23, 2006**, the Resource Analysis Team members will post preliminary analysis to RAPWEB and begin contacting appropriate Project/User representatives to review analysis materials as necessary.

Thank you for your help and cooperation in assuring that the next Resource Allocation Review will result in decisions providing everyone the maximum amount of support possible.

Attachment 1: A schedule for distribution, evaluation, and negotiation of each user's requirements in preparation of the scheduled review. It is important that this schedule be followed as closely as possible. Your cooperation is greatly appreciated.

Attachment 2: The User/Mission Planning Set must be obtained from the RAPWEB at: <http://rapweb.jpl.nasa.gov/PlanningMissions.html> . Data in this mission set was obtained from each Project and user. Please review this material for accuracy and completeness and provide updates as necessary.

Attachment 3: The DSN Antenna Implementation Planning Matrix must be obtained from the RAPWEB at: <http://rapweb.jpl.nasa.gov/planning.html>. The dates on these schedules are *best estimates* at this time.

Attachment 4: The latest DSN Major Downtime Schedule must be obtained from the RAPWEB at: <http://rapweb.jpl.nasa.gov/Downtime.html>. The dates on these schedules are *best estimates* at this time.

Attachment 5: The individual Project or User Loading Profile (ULP) must be obtained from the RAPWEB at: <http://rapweb.jpl.nasa.gov/reqs.html> using either PDF or XLS format. The ULP's contain our latest interpretation of the user requirements and must be reviewed in detail by each user of DSN antenna resources. Please provide redlines on the ULP forms provided and do not reformat the information, as changes to the form would cause us to reinterpret each and every requirement, which is a very time-consuming process. Your cooperation will be greatly appreciated. Please sign the ULP form in the upper right-hand corner and return it even if there are no changes.

Attachment 6: The individual Project or User Major Events must be obtained from the RAPWEB at: <http://rapweb.jpl.nasa.gov/reqs.html> using either the PDF or XLS format. The Major Events contain our latest interpretation of the user's upcoming major events and must be reviewed in detail by each user of DSN antenna resources. Please provide redlines on the sheets provided and do not reformat the Major Events form, as changes to the form would cause us to reinterpret each and every major event, which is a very time-consuming process. Your cooperation is appreciated. Please sign the Major Events form in the upper right-hand corner and return it even if there are no changes. In addition, you may attach explanatory text or comments that will aid in clearly interpreting your DSN communication requirements.
